

New Product Bulletin

Your Cooling System

Aluminum Corrosion
<https://www.cumminsfiltration.com/aluminumcorrosion> [1]
Aluminum Corrosion is not a matter of age

Cavitation or Liner Pitting

<https://www.cumminsfiltration.com/cavitation> [2]

You can't change the laws of physics, but Cummins Filtration can neutralise the consequences.

Scaling

<https://www.cumminsfiltration.com/scaling> [3]

We make hard coolant water a soft issue.

Acidity

<https://www.cumminsfiltration.com/acidity> [4]

We make sure that acidity doesn't upset you.
