Cummins® Heavy Duty Engines Lube Filter Comparison Fleetguard® vs. Baldwin®

Fleetguard® Cummins® Heavy Duty Engines Lube Filter Comparison
Fleetguard® vs. Baldwin®
There is no substitute for patented Fleetguard® pleated media.

It's All About Total Cost of Ownership

No engine oils have evolved to stay on track with engine development. Fleetguard® filters have also evolved to help maximize engine life, improve fuel economy and reduce downtime. Other filters may be less expensive, but our **superior 2-in-1 media design** delivers the lowest cost of ownership of any filter on the market. Here's how we stack up against Baldwin® filters.

2-1-1 Pleated Media
Removes 99.99% of dirt and debris from engine oil for maximum protection.

2-1-1 Media
Removes 99.99% of dirt and debris from engine oil for maximum protection.

Comparison 1:
Better Fuel Economy with Fleetguard

Through superior efficiency with Cummins and the filter's ability to properly regulate oil to the engine filter design that allows Cummins Filtration to deliver the 2-1-1 media design to the industry. Our 2-1-1 media design allows for the lowest cost of ownership of any filter on the market. Here's how we stack up against Baldwin® filters.

Fuel Economy Savings Per Year
For a fleet of 1000 trucks

Filter Type	Savings
Fleetguard	Save \$20,000
Baldwin	Save \$10,000

Fleetguard LP14000N vs. Baldwin 171400000 Filter

Fleetguard LP14000N Genuine Filtration Means:

- Cummins Recommended & Warranted
- Industry Leading 2-in-1 Media Design
- Low Total Cost of Ownership
