## The Fleetguard LF14009NN: Trusted OEM Filtration for Cummins® QSL9 Stage V Engines

### Money-Saving Technology

The unique design of the Fleetguard LF14009NN delivers powerful benefits that positively impact your bottom line:

- Greater Fuel Efficiency
- Increased Engine Protection
- Capable of 1000 hour service intervals for QSL9 Stage V engines

#### How it works

Our 2" in 1 filter media reduces flow restriction without sacrificing performance, enabling the most fuel savings of any lube filter on the market.

**Saved Over \$1 Million in Fuel Costs**

**Eliminated Over 8 Metric Tons of CO<sub>2</sub>**

**0.3 MILLION GALLONS OF FUEL AND COUNTING\***

\*Based on a 2014 model QSL9 Stage V engine.

### Genuine OEM Protection

Real benefits for your engine are realized by meeting the most stringent engine fuel requirements, reducing excessive lube requirements.

### Backed by the Best Warranty

Unlike our competitors who offer pro-rata coverage, our true warranty protection extends over the full product lifespan through the recommended service life of the product.
