

The Fleetguard LF14000NN

Trusted OEM Filtration for Cummins® ISX15 & X15 Engines

Money-Saving Technology

The unique design of the Fleetguard LF14000NN delivers powerful benefits that positively impact your bottom line:

- **Greater Fuel Efficiency**
- **Increased Engine Protection**
- **Increased Vehicle Uptime**

How it works

Our filter technology features 2-in-1 media to optimize performance in real-world conditions, which puts less strain on the engine and enables the most fuel savings by any lube filter on the market.

1) StrataPore® Media
Removes larger particles upon engine start-up for immediate protection.

2) NanoNet® Media
Removes smaller, fine particles to prevent long-term engine wear.

**Saved Over
\$7.5 Million
in Fuel Costs**

The LF14000NN is optimized to provide the best fuel economy of any filter on the market, saving our customers over

**3 MILLION GALLONS
OF FUEL AND COUNTING.***

*Based on current Fleetguard market share

**Eliminated Over
30 Metric Tons
of CO₂**

Built by the Best Name

The LF14000NN is designed by engineers at Cummins Filtration, the only filter company that's part of an engine company. We know what it takes to maximize your investment in your equipment. In fact, it's the only filter engineered and validated by Cummins to meet their stringent engine test requirements.

Backed by the Best Warranty

Unlike our competitors who offer pro-rated coverage, our full warranty protection extends from the point of purchase throughout the recommended service life of the product.

Nothing Guards Like Fleetguard!
